Baker F900 Freezer

Item number: 969020220

Professional refrigerated appliances must be designed to meet the daily needs of the bakery. Baker F900 is a durable and reliable high-quality freezer with versatile applications, built for demanding professional use. Low operating costs, high temperature stability and easy cleaning make this freezer the ideal partner for professional users.

PRACTICAL DETAILS, GOOD ERGONOMICS AND EASY CLEANING

Electronic control with safety functions for optimal product protection, an easy changeable sealing strip, an ergonomic door handle, and an easy-to-clean stainless-steel surface are only some of the many advantages of this freezer.

SUSTAINABILITY AND ENVIRONMENTAL PROTECTION

All G+ products are made in Denmark. Regional suppliers, environmentally friendly production processes, ergonomic workplaces and an energy supply based on renewable energy sources make the production of G+ products one of the most advanced in the industry.

EVEN TEMPERATURE DISTRIBUTION

The freezer is equipped with a powerful, ventilated cooling system, which ensures a good temperature stability and air distribution. The efficient cooling system prevents the products from drying out.

WHAT IS G+?

G+ is Gram Professional ApS's brand for professional refrigeration and freezer products for food storage.

'G' symbolizes, that we have roots in the Danish Gram Group.

'+' symbolizes, that innovation is a part of our DNA and that we continuously develop to live up to the needs and expectations of our customers.

TECHNICAL SPECIFICATIONS

Product name	F900 G S RA L2 25B	Energy efficiency class / EEI	D / 61,2
Product type	Professional bakery freezer	Energy consumption (kWh/year)	2849
Temperature range	-25/-5°C	Warranty	Up to 5 years
Volume (gross / net)	949 / 661 L	Climate class	5 (40°C/40% RH)
Dimensions (WxDxH)	820x1065x2205 mm	Sound level	48,9 dB(A)
Material (exterior / interior)	Stainless steel / Stainless steel	Door type	Isolated door
Gross weight	186 kg	Trays	25 pairs of bakery support rails for EN-tray size 60x80 cm
Refrigerant / charge	R290 / 149 g	Possible number of trays - at 50 mm spacing - at 75 mm spacing - at 100 mm spacing	26 (60x80 cm) / 52 (60x40 cm) 16 (60x80 cm) / 32 (60x40 cm) 13 (60x80 cm) / 26 (60x40 cm)
GWP and Co2 equivalent	3 / 0,000447 t	Equipped with	Right-hand hung reversible door, self-closure, pedal door opener, 25 pairs of bakery support rails, and LED-lighting.
Refrigeration capacity at -25°C	882 W	Variation options	Door (left- or right-hand hung), castors instead of legs.
Connection	230 V, 50 Hz, 4,57A		
Connection load	736 W
